

# Brexit Opinion Poll EPP Group in the European Parliament

May 2017

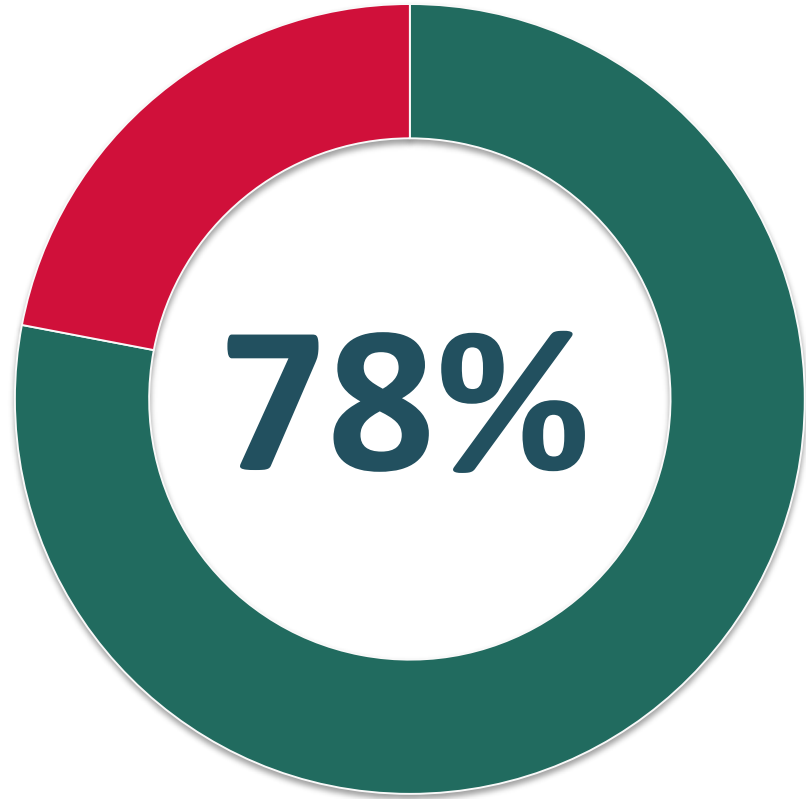

# Methodology and Weighting

- RED C interviewed a random sample of circa 1,000 adults aged 18+ online in each of the countries chosen for research between the 28<sup>th</sup> April and the 5<sup>th</sup> May.

	Sample Size
France	N=1002
Germany	N=1000
Ireland	N=1007
Italy	N=1007
Netherlands	N=994
Poland	N=1003
Romania	N=1006
Spain	N=1000
Sweden	N=1013

- Quotas were set in each country based on latest's population statistics, covering age, gender, and region to ensure the sample is representative of all adults.
- Total sample figures shown have been weighted to take account of population numbers aged 18+ in each country, based on latest EU stat data.

Of EU Citizens asked  
Want the **Primary objective for Brexit negotiations** to focus on protecting good future of remaining EU27

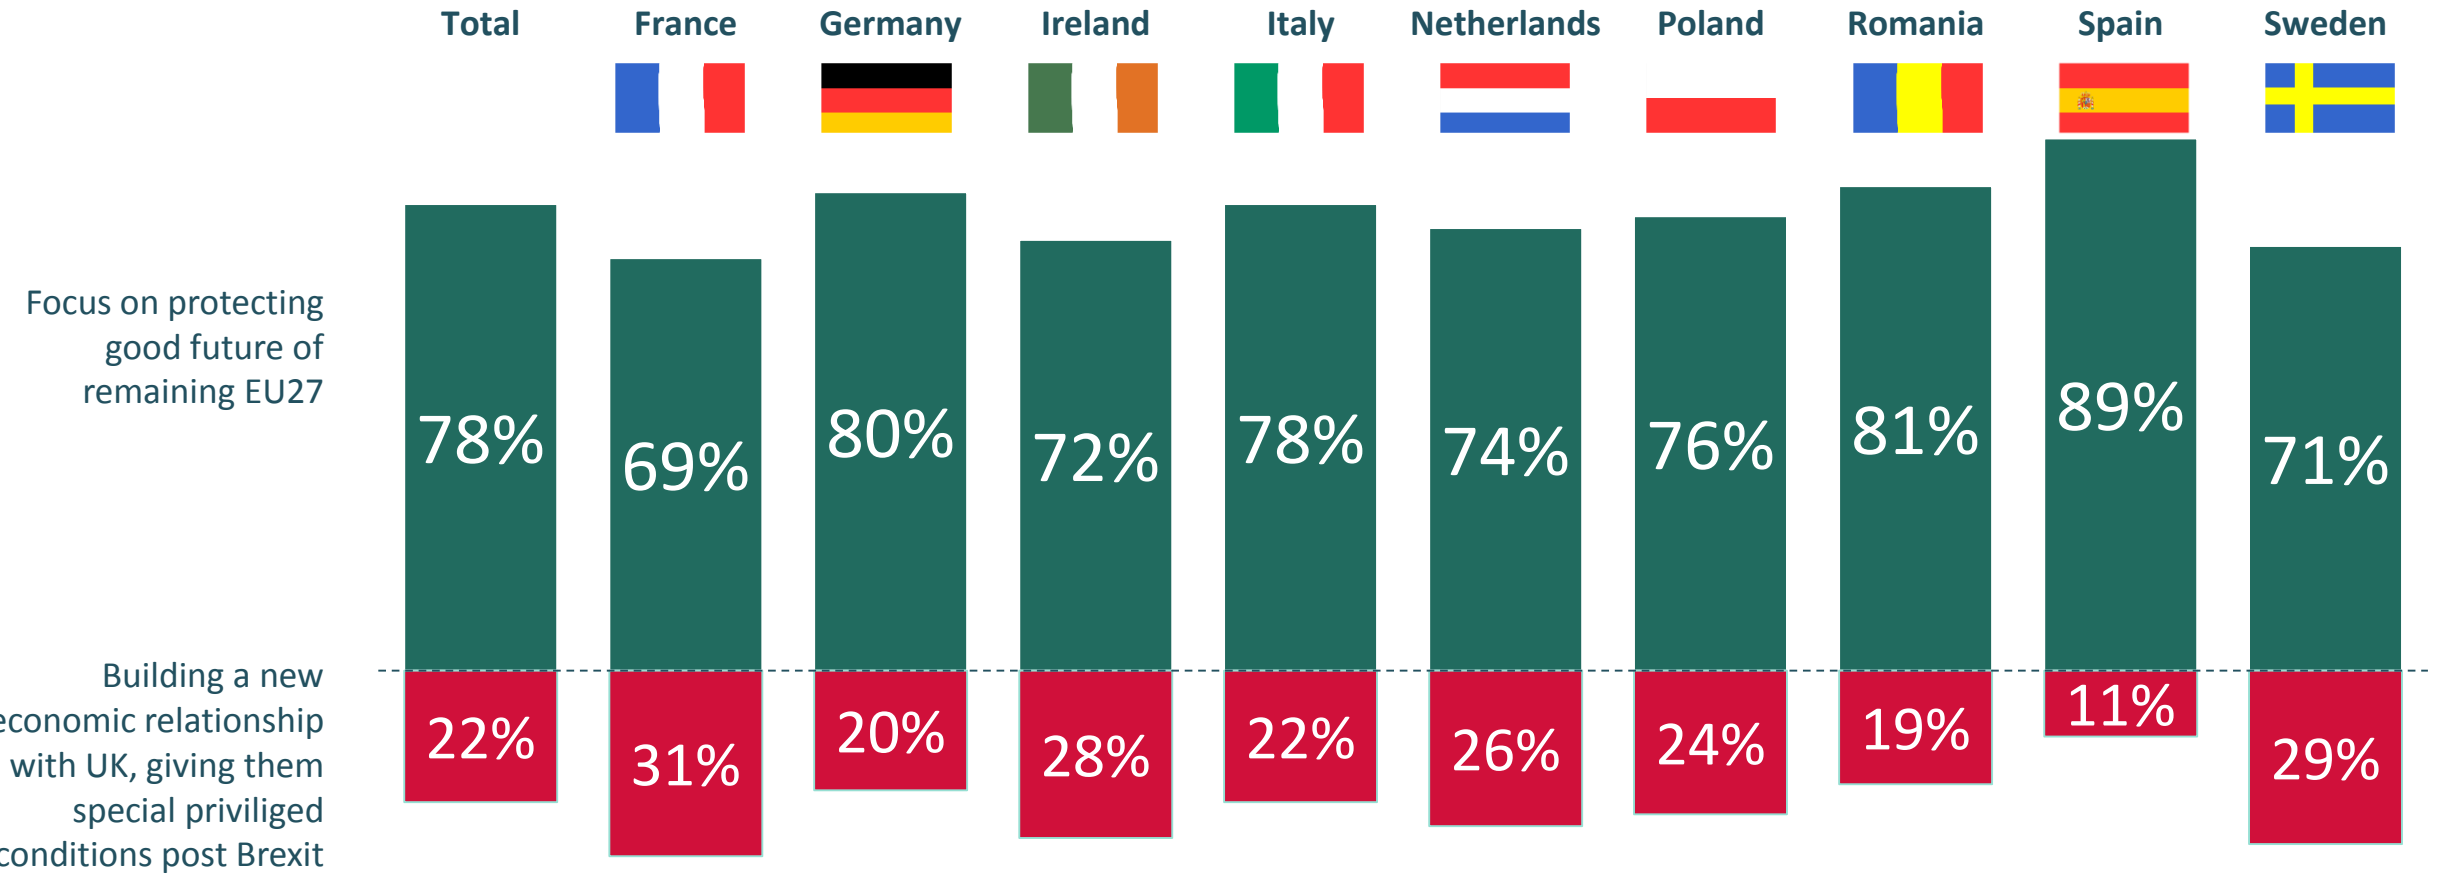

*Compared to*

**Just 22%** who want the focus to be on building a new economic relationship with UK, giving them special privileged conditions post Brexit

# Primary objective for Brexit negotiations

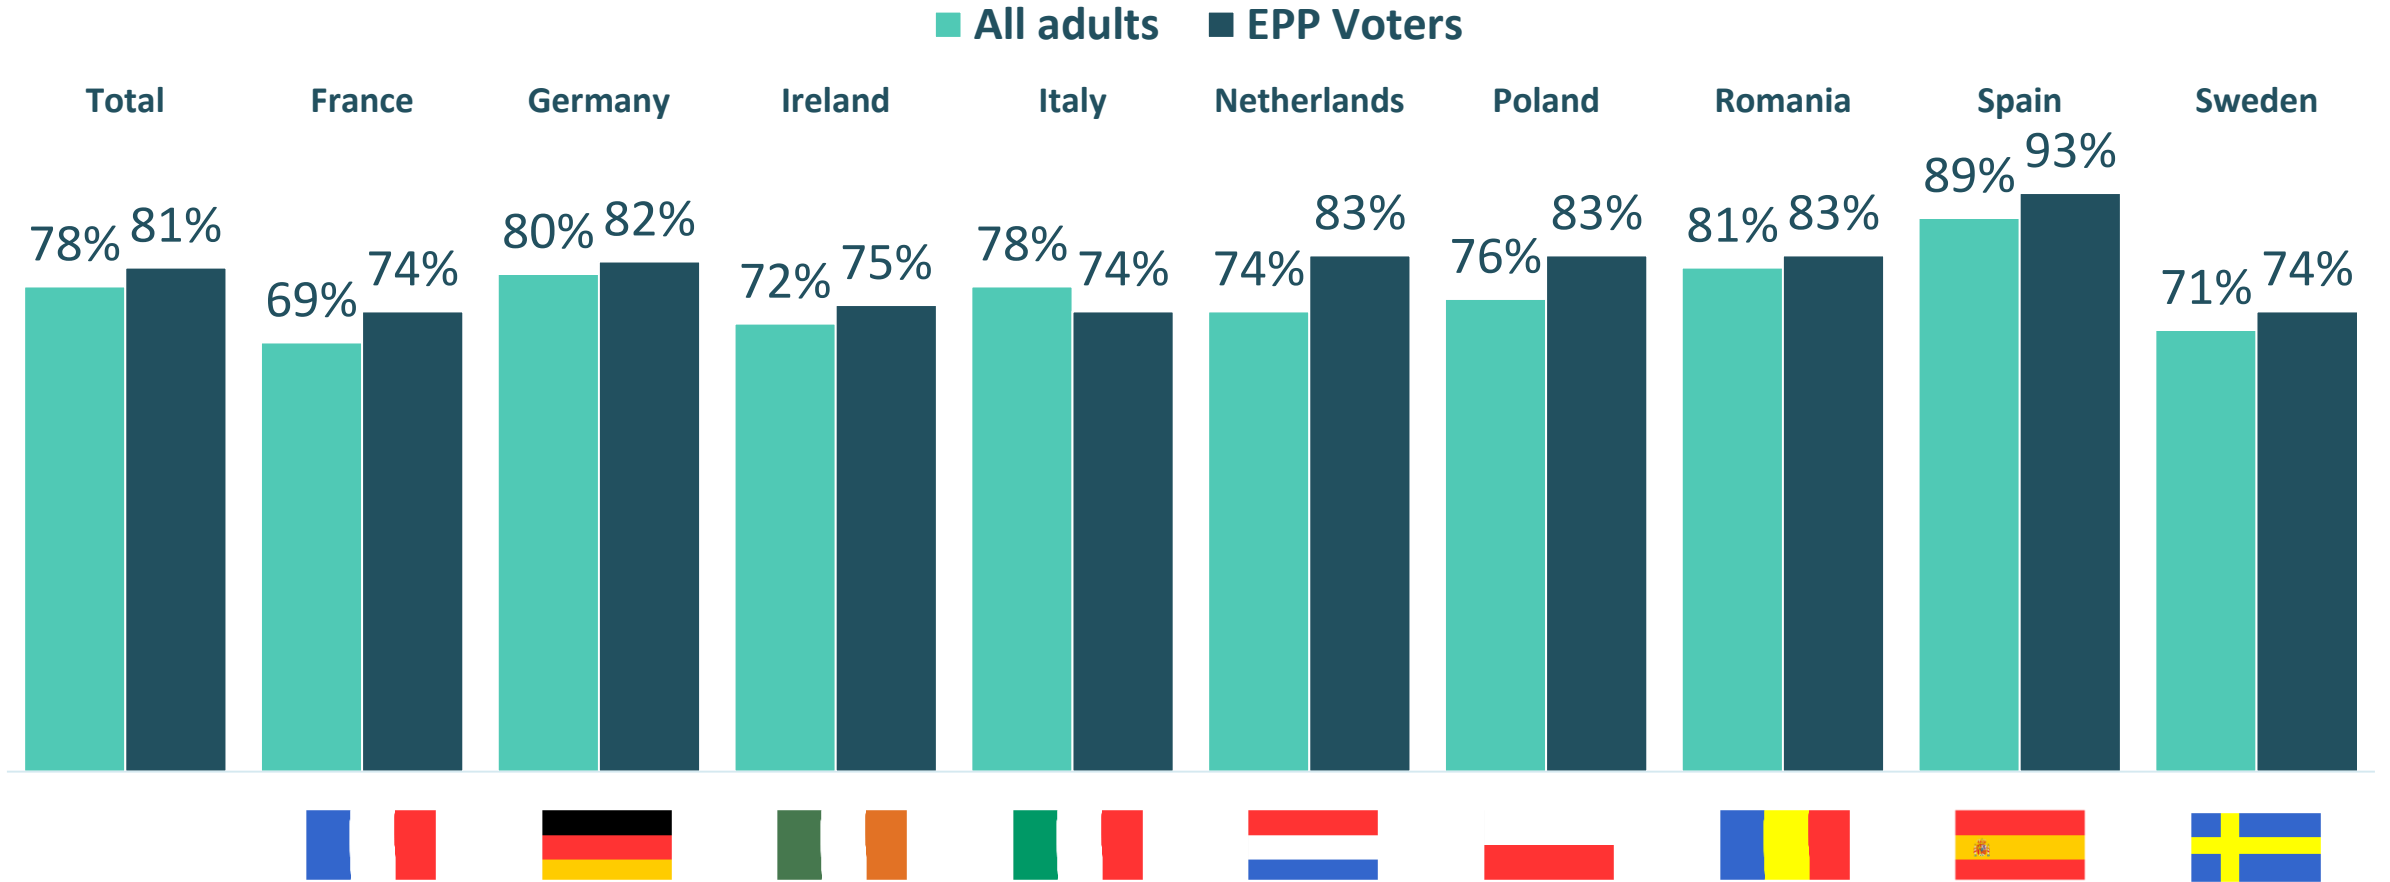

(Base: All Adults 18+ in each country)

# Primary objective for Brexit negotiations

Focus on protecting good future of remaining EU27

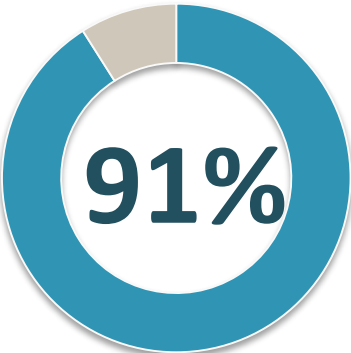

(Base: All Adults 18+ in each country)

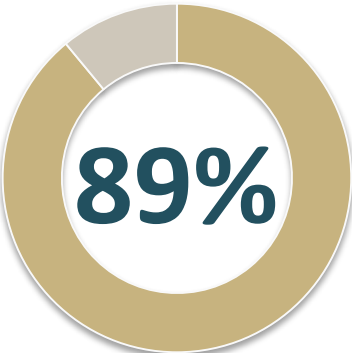

# Citizens Priorities for the Negotiations

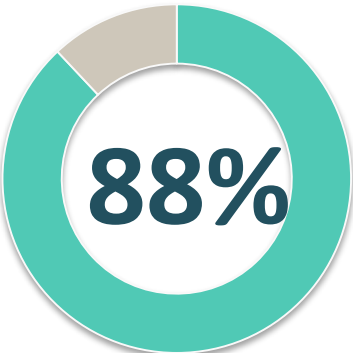

To **protect the future economies of the remaining EU member states**

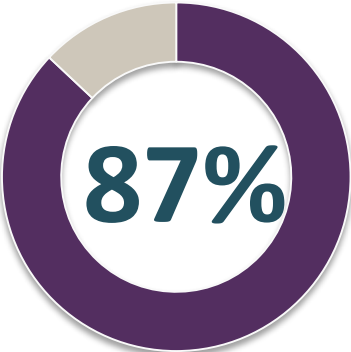

To **enhance the financial markets** in the remaining EU27 states, in order to ensure financial stability

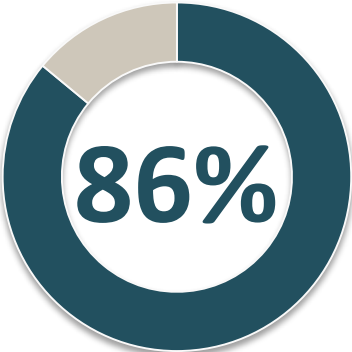

To focus on **the longer term interest of the remaining EU27 states**, rather than any short term economic gains

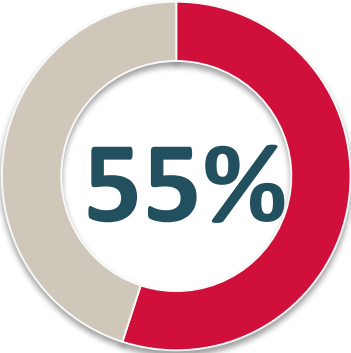

To **ensure that the UK pays any outstanding financial obligations to the EU**

To ensure **that there is no introduction of second class EU citizens**

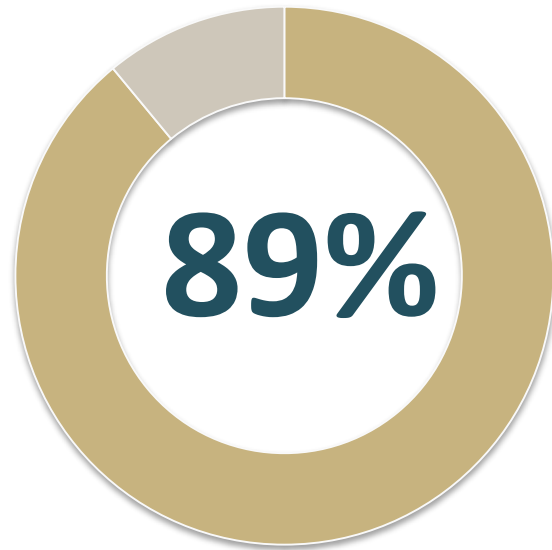

To **protect the rights of EU citizens** who are living in the UK

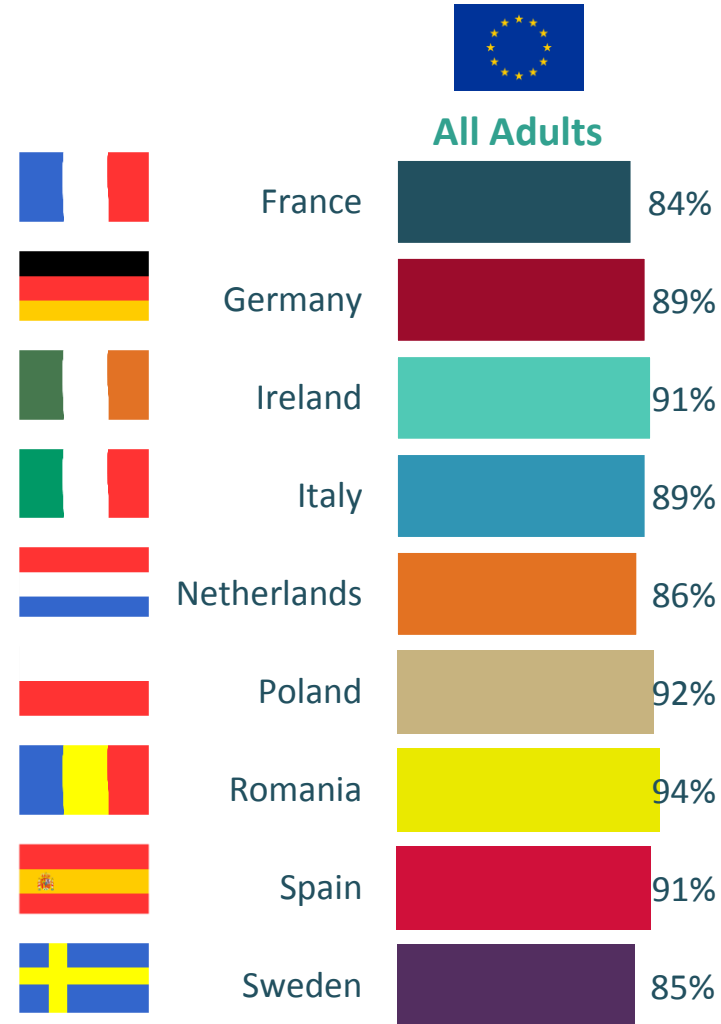

To ensure **the future wellbeing of the UK economy**

# The longer term interests of the EU 27 are extremely important

To focus on **the longer term interest of the remaining EU27 states**, rather than any short term economic gains
